## NAZEER HENNA

Henna adheres to the hair shaft adding colour and shine at the same time, while improving the texture of the hair. Nazeer Henna is free of chemicals and will gradually fade in 8 - 9 weeks.

Nazeer Henna is safe to use on permed or tinted hair. The colour will be intensified if used on hair that has been bleached or has more than 20% grey.

Available in Black, Dark Red, Standard Red, Sunset Red, Chestnut, Clear.
